FENG SHUI SPIRITUAL RESPONSE THERAPY

Lesley Yates
Alphega Living Concepts

Combining Traditional Scientific Feng Shui with Spiritual Response Therapy to shift people's lives and spaces congruent with who they are and achieve their goals for health & wellbeing. Lesley works with architects on new construction, homes and businesses, specializing in relationships and compatibility. Using a Chinese I Ching compass and ancient calculations, internal and external remedies are used to correct the nature of the building energy and neutralize negative influences. Your most supportive sleeping directions and productive energy areas are identified to improve health and relationships. The system of Spiritual Response Therapy channels and dissipates the negative energy within a building and between the occupants, clearing toxic streams and openings in the aura, spiritually correcting disturbances affecting harmony and abundance. Lesley also holds workshops in the local area, for more information please visit the website

MEDIUM AND ANIMAL INTUITIVE

Kim has always been able to "know" things that other people could not, although it wasn't until the death of her mother that Kim discovered the depth of her unique talent. Because of the deep grief that she felt for the loss of her mom, Kim has dedicated her life to providing a way to help others overcome the grief caused by the death of a loved one. She has proven time and again that death is only a doorway to another world and that life indeed does continue after what we call death. Kim is a gifted medium, grief counselor and animal communicator. She has discovered the unique ability to feel and sense what the animal is feeling and is able to translate it into words. Kim has appeared on "Northwest Afternoon," "Martha Norwalk's Animal World," and "Kevin McDonald Presents" and has received rave reviews about her work.
