## CHIROPRACTIC HEALING & WELLNESS

### Gentle yet powerful.

Our practice now offers a unique, breakthrough approach to patient care called Koren Specific Technique (KST). There is no twisting, turning, “cracking” or “popping” of joints with KST; instead, you receive gentle, specific corrections to your spine and structural system.

KST is very gentle and yet very powerful. Experience the difference.

Find out why people suffering from sciatica, migraine, colitis, chronic pain, thoracic hump, poor posture, disc problems, depression, dyslexia, sleeping difficulties, autism, and many other conditions rave about KST.

**Discover why chiropractors call KST “The Best Adjustment of Their Life!”**
