

**ASTROLOGY FOR LIVING**

**Are you looking for a deeper insight into yourself?**

Astrology for Living is a good way to explore your Soul's Purpose, talents,

gifts, your highest potential and your greatest challenges. The planetary symbols reveal why you are here, what you came to do, and the timing for the unfolding of your life's journey.

Your Astrological Birth chart shows the way in which your early relationship with your parents is influencing you now. It indicates what part of this early conditioning still needs to be overcome. Your reading includes supportive information on relationships, preventive health, career, finances, spiritual growth and your coming year, allowing you to create a much more fulfilling life. Relocation information and compatibility are also available.
